

DENISE COULOMBE

Denise Coulombe, native of Gaspé, Québec, moved to Fredericton, New Brunswick in 2000 after having lived in several cities in New Brunswick as well as Quebec. She studied French Theatre and languages at “Université de Moncton” and St Thomas University and began to work at the Regional Health Authority in 2003 as the Official Languages Coordinator.

Her desire for helping people led her to her current position as the Physician Recruitment Officer, which she has held since 2009. She is an avid animal lover or as she says, “fur babies” and a lover of life. Denise is very passionate about her job and has become a guru when it comes to physician site visits and selling her region to the incoming physicians. Her passion for her work radiates throughout the community.

In her spare time, she enjoys live entertainment such as musicals, walking, kayaking, shopping and promoting her community. Grateful for the amazing job she has, Denise makes sure that the new physicians are welcomed to the community in a way that has become customary to physician recruitment.
