

## DR. BRETT BELCHETZ

Dr. Brett Belchetz is a practicing ER physician in Toronto. He is also the CEO and Co-founder at Maple ([getmaple.ca](http://getmaple.ca)), Canada's only national telemedicine provider connecting Canadian patients and doctors for online medical visits.

He is a Senior Fellow at the Fraser Institute and works as an on-air medical expert for CTV and Global News.

Brett previously worked as a management consultant with McKinsey & Company.

He is passionate about healthcare policy, and writes editorial content for the National Post as well as several other Canadian newspapers.
